22nd March 2020

"We have never been this way before!" - So let's all learn how to do and enjoy church in a new way. There are exciting things ahead.....

Sunday Service 22nd March 2020

Please go to our Woolwich Community Church Website:

www.woolwichchurch.org. On the first page there will be a link for **Sunday Services**. You just need to click on it and you will be able to enjoy a number of worship songs with words to sing along and a preach pre-recorded by Pastor Kelly. Each section will be a YouTube clip which you can watch by clicking on it. The service will be live **from 10AM Sunday morning**. If possible, let's all partake in the service at that time, so we can be worshipping together even though we are at home. If you have problems accessing the service and would like help, please get in touch with Verena by email at info@woolwichchurch.org

Over the next few weeks...

Our technical people are working hard to make this online experience more rewarding and enjoyable. Please let us know if there is anything you would like us to put online to encourage and strengthen you in your Christian walk. Our dedicated volunteers will do their best to support you.

Offering and Tithes

People have been in touch to ask how they can continue to worship God by contributing to the work of the kingdom of God financially. If you have not already made arrangements, please get in touch with Verena at info@woolwichcchurch.org to discuss available options. We appreciate that you may experience financial challenges at this time. Please get in touch if you need advice and/or support.

Social Media

Please check out WCC on Facebook, Twitter and Instagram if you use social media. Some of our young people are making a great effort to make our presence known on these platforms.

Let's follow Paul's example, " *So I become all things to all people, that I may save some of them by whatever means are possible.*" (I Cor 9.22)
If you would like to be part of a new WhatsApp group for WCC please let us have your number & permission to add you by contacting Verena

Children and families

A Pioneer church has set up a Facebook page called "Together at Home" with materials for children and parents to use during this period of self-isolation. Please have a look at it and let us know what you find helpful <https://www.facebook.com/groups/613930636117980/>
